states that it is not advisable to give the A.V. School site with the building on it, forwards copy of the Deputy Commissioner's letter, stating that it is not possible to make the site near the Town Hall available for the Hostel, and suggests that as the petitioner will not agree to build on the site in the High School Compound, the matter has to be dropped.

17 The petitioner considers the following two sites only to be suited for the purpose: (1) The site on which the old High School Building now stands (2) Plot adjacent to the site selected for the Town Hall. He rejects the High School compound for the reason that water cannot be tapped there at an easy depth.

18 The D. E. of Edn. is against giving the A.V. School site with the building thereon as the P.W. Deptt opine that the building can be repaired and made

SIR,

With reference to your letter No.4241/Edn.9-15-130 dated 25th February 1916 and subsequent letter No.3627/Edn.9-15 dated 22nd ultimo, in the matter of granting a suitable site to Mr. Ramasanjeeviah Reddi of Channapatna for the construction of a hostel building, I have the honour to state that as already reported in my letter No.7440-1/255 of the 18th September 1916, it is not advisable to give the Anglo-Vernacular School site with the building on it as the Public Works Department are of opinion that the building can be repaired and made fit for other purposes. Mr. Ramasanjeeviah Reddy wishes to have the building located on a site near the proposed Town Hall. But the Deputy Commissioner Bangalore District, in his letter No.157/Mis. of the 28th ultimo, copy enclosed, states that it is not possible to make the site near the Town Hall available for the Hostel. As Mr. Ramasanjeeviah Reddi will not agree to build on the site which can be given in the High School compound, the matter has to be dropped, at any rate for the present. The enclosure received with your letter under reference is returned herewith.

I have the honour to be,
Sir,

Letter No.Mis.C.157 dated 28th November 1916 from the Deputy Commissioner, Bangalore District, to the Inspector General of Education in Mysore.

In continuation of this office letter No.Mis.C.157 dated 24th October 1916, re. the selection of a site for the construction of a Hostel at Channapatna by Mr. Ramasanjeeviah Reddi, I have the honour to forward herewith Mr. Ramasanjeeviah Reddi's statement obtained by the Amildar to the effect that he does not wish to construct Hostel within the High School compound as suggested in your letter No.R.5051/225 dated 22nd August 1916, as water cannot be tapped there at an easy depth, that the only sites which he considers to be suited for the purpose are where the old High School building now stands and the plot adjacent to the site selected for the Town Hall building, and that he could not undertake the construction of the Hostel on any other site.

It is not possible to make the site near the Town Hall building available for the Hostel. The question whether the old High School building can be given over for the Hostel is a point to be decided in your Department. If it cannot be spared, the matter will have to be dropped for the present as Ramasanjeeviah Reddi will not agree to any other site.

SIR,

With reference to your letter No. 5782 of 18th December 1917 and subsequent reminders, in the matter of granting a suitable site for the construction of a hostel building at Chennapatna for which a contribution of Rs. 5,000/- was offered by Mr. Ramasanjeeva Reddi, I have the honor to state that Mr. Ramasanjeeva Reddi agrees to locate the hostel building in the compound of the High School which is sufficiently spacious and has deposited a sum of Rs. 5,000/- in the Government Savings Bank towards the cost of the building. He has also promised to contribute a further sum of Rs. 1,000/- after the work of construction is taken up. Mr. Ramasanjeeva Reddi further states that the building, when completed, may be called after his name and that if the hostel happens to be closed, for any reason, it should be utilised for some charitable purposes. I am of opinion that it is not desirable to call it after his name but, a stone tablet may however be fixed on the building containing a suitable reference to the gift in the inscription.

The hostel building as per enclosed plan is estimated to cost about Rs. 15,000/-. After deducting the amount of contribution, viz., Rs. 6,000/- from the total cost, a sum of Rs. 9,000/- has to be borne by Government.

I request that Government may be pleased to accept the offer made by Mr. Ramasanjeeva Reddi and to sanction the construction of a building, the cost being met from the allotment of Rs. 2 lakhs ordered to be provided in the Public Works Department Budget.

SIR,

With reference to your letter No. 1004/Edn. 9-15-232 dated the 31st ultimo, stating that the recommendation made by me for the grant of Rs. 9,000/- in connection with a hostel building proposed to be constructed at Channapatna, is not in accordance with the provisions of Rule VII (1) of the Grant-in-Aid Code and enquiring why such a deviation is considered necessary in this case, I have the honor to state that the hostel is not intended to be a Grant-in-aid institution put up by a private agency, but will become the property of Government. Mr. Ramasanjeeva Reddy is willing to contribute Rs. - 5,000 or Rs. 6,000 if Government would kindly undertake to erecting a building in the compound of the High School to serve as a Students' Hostel for the High School. The hostel on completion will belong to the Department and be in its charge and ownership.

Under these circumstances the provisions of the Grant-in-aid Code do not seem to have much application.
